Corrigendum to “The effects of menstrual cycle stage and hormonal contraception on alcohol consumption and craving: A pilot investigation” [Compr. Psychoneuroendocrinol. 5C (2021) 100022]

Jasmine G. Warren^{a,*}, Laura Goodwin^{a,b}, Suzanne H. Gage^{a,b}, Abigail K. Rose^{a,b,**}

^a Department of Psychology, Institute of Population Health, University of Liverpool, UK

^b Liverpool Centre for Alcohol Research, University of Liverpool, UK

The authors have missed to include a statement that the informed consent was obtained for experimentation with human subjects, and they would like to clarify that all required protocols were followed and

consent obtained.

The authors would like to apologize for this oversight.
